A 2-day celebration for ALL lovers of movement and flow.

We will playfully explore and express ourselves through movement and dance on land and in warm water, on our own, with partners and in group. From self-connection to allowing movements to emerge, no one deciding where to go, the doors open for non-verbal communication and deep sharing...

Connecting on land to our deeper longings, we give the body permission to find its own way of expression and possibly contacting others. Warm water with its sense of weightlessness and fluidity invites us to let go and experiment with our own organic and fluid way of movement.

Let's celebrate this journey together!

Watsu® & Meditation

Meditation is an important tool to listen, accept and know ourselves, and to become more intuitive to-wards ourselves and others.

The purpose of meditation -besides the physical and psychological benefits - is to build a connection with our soul and with the Divine in and around

It also encourages the development of our intuition and perception through the heart and not only through the rational mind. This permits us, in certain life situations, to operate on a higher level and make better choices.

Woga 1&2

with Dariya or Petra

A 2-day course.

Water yoga is based on classic yoga poses and stretches, modified for standing in water, between waist-to-chest height. You do not need to know how to swim. Classes are structured much like their yoga equivalents on land: breathing, warm-up exercises, a series of poses, and a relaxation period. The difference is that you are in a warm water pool! Focus of Woga 1&2 is Hatha Yoga in water (asanas in standing position, on the wall, in floating position, and under water), pranayama and meditation.

Please give us details of previous trainings in aquatic bodywork, if any, to ensure that you are qualified to attend the course you are interested in. (Read the course prerequisites!)

We will inform you within the next few days about availability of place and email you all necessary further information.

If a course is full, we will put your name on the waiting list and let you know if we receive a cancellation.

Language Requirements

Although some of our teachers are proficient in French, German and Italian, a basic knowledge of English is required, as all courses are taught in English.

In case you have to leave the course due to illness or any other personal reason, we will not be liable to make any refund.
